

OSCILLOMETRY READING CENTER DATA FORM, OSR QUESTION BY QUESTION (QxQ), VERSION 1.0

I. GENERAL INSTRUCTIONS

The Oscillometry Reading Center Data Form (OSR) is to be completed by the Physiology Reading Center. The data will be entered from the .pdf file received from the clinical site for each participant.

Please answer every question on this form. *NOTE: All response options in the paper form may not appear in CDART (e.g., 'Don't know', 'Declines to answer', etc.). Beside each item input is a small double bracket icon which looks like this: >>. Clicking this icon displays a field dialogue box in which the "Field Status" selection menu allows you to choose from the following options: 'Refused', 'No response', 'Doesn't know', 'Not applicable', 'Maximum value', 'Minimum value', and 'Missing'. See MOP 6 – Section 3.2 for additional instructions on how to select a Field Status option.*

Whenever numerical responses are required, enter the number so that the last digit appears in the rightmost box. Enter leading zeroes where necessary to fill all boxes (e.g., enter 0.25 rather than .25).

II. INSTRUCTIONS FOR INDIVIDUAL ITEMS

Header Information: Consists of key fields which uniquely identify each subject and recorded occurrence of a form. For the "ID NUMBER", record the 2 or 3-character, 6-digit number assigned to the specific participant. For the "Event", record if this is happening at the clinic visit (E1) or another event.

- Item 0a.** Record the date the data was entered in CDART in the MM/DD/YYYY format either by selecting the pop-up calendar in CDART or entering the date in the space provided.
- Item 0b.** Record the SPIROMICS III staff code of the person who collected or abstracted the data. This code is assigned to each person at each site by the GIC. If you do not have a staff code and are collecting SPIROMICS III data, please contact the GIC in order to receive your own individual staff code.
- Item 0c.** Record the date the data was collected in the MM/DD/YYYY format either by selecting the pop-up calendar in CDART or entering the date in the space provided.
- Item 0d.** Select that the testing was completed at the in-person clinic visit.
- Item 1.** Select only one option among the two possible choices to indicate the participants' sex.
- Item 2.** Select only one option among the seven possible choices to indicate the participant's race/ethnicity as entered into the Resmon PRO device.
- Items 3-26.** Enter all data recorded during pre-bronchodilator oscillometry testing in the spaces provided.
- Items 27-50.** Enter all data recorded during post-bronchodilator oscillometry testing in the spaces provided.

Commented [RP1]: I see only one option is left. Should any special instructions be here?

Select **Save and Close** at the bottom of the page/screen.
