

## **INCLUSION/EXCLUSION CRITERIA FORM**

ID NUMBER: FORM CODE: IEC VERSION: 1.0 06/16/2021 Event:
0a) Date of Collection: / / / Ob) Staff Code:
<u>Instructions:</u> This form should be completed immediately after the participant signs the informed consent. This form helps determine study eligibility along with information captured on the ITF, PID, DEM, ANT, CAA, and SDF forms. After completing this form and the others required, please run the Participant Eligibility Report for eligibility status and study group information.
I am going to ask you a series of questions to determine if you are eligible for the study. Please answer as completely and accurately as possible.
1) (Do not ask participant) Participant's age:  NOTE: This field will populate based on the age calculated in the DEM.
<ul> <li>2) Do you currently or have you ever smoked cigarettes (that is, at least 100 cigarettes in your life)?</li> <li>☐ No<sub>0</sub> → Go to 3</li> <li>☐ Yes<sub>1</sub></li> </ul>
2a) For how many years have you or did you smoke? years
2b) On average, how many packs of cigarettes do you or did you smoke each day?
2c) (Do not ask participant) Participant's number of smoking pack-years (number of years
smoking x number of packs per day):  NOTE: This value will be automatically calculated in the DMS.
3) Have you ever been diagnosed with COPD, emphysema, or chronic bronchitis?  No <sub>0</sub> Yes <sub>1</sub>
