

## INSTRUCTIONS FOR REASON FOR STUDY WITHDRAWAL RSW, VERSION 1.0 (QxQ)

### I. GENERAL INSTRUCTIONS

The Reason for Study Withdrawal Form is filled out by the study coordinator at the last visit made by the participant.

**Header Information:** The header information consists of key fields which uniquely identify each recorded instance of a form.

**FORM DATE:** Record date this is being completed. Select the date from the pop up calendar or type in the date in the space provided. Dates should be entered in the mm/dd/yyyy format.

**INITIALS:** Record the staff code of the person entering the data on this form. This code is assigned to each person at each site by the GIC. If you do not have a staff code and are collecting SPIROMICS data please contact the GIC in order to receive your own individual staff code.

### II. DETAILED INSTRUCTIONS FOR EACH ITEM

- Item 1. Select 'Yes' if the participant completed the entire SPIROMICS study. Select 'No' if the participant withdrew from SPIROMICS before completing all visits. If 'No' go to item 2 to give details on the early withdrawal; if 'Yes' save and close the form.
- Item 2. Select the date from the pop up calendar or type in the date in the space provided of the participant's withdrawal from SPIROMICS. Dates should be entered in the mm/dd/yyyy format.
- Item 3. Read the choices carefully and select the reason the patient withdrew from SPIROMICS. If the reason is not listed select 'Other' and specify the reason for withdrawal in the space provided.
- Item 4. Describe the reason for withdrawal from the SPIROMICS study.
- Item 5. Read the choices carefully and select the choice that corresponds to the patient's wishes regarding data and specimens already collected for SPIROMICS.
